We found a three-bedroom apartment we loved in a great neighborhood with good schools and a beautiful park. But the landlord told us to live someplace else that would be better for our family. We filed a complaint with HUD, and now we have a wonderful place to live.

Here are some telltale signs of housing discrimination against families with children:

- **Allowing only one child per bedroom**
- **Charging a higher security deposit for families with kids**
- **Limiting families with children to the first floor or certain buildings**
- **Refusing to rent to families with children**
